

## 3rd Saturday Intermediate Art Workshops

**JUNE 15**

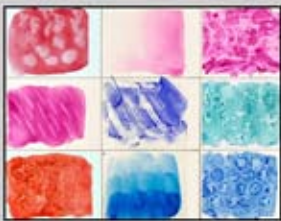

**Intermediate Oils - Sarah Woods**

We will explore how you, as an oil painter, can create a painting you'll be happy with. We'll consider what makes a good painting and the techniques used. I will demonstrate, you'll practice, and you'll have a painting by days end.

**JULY 20**

**Intermediate Watercolor - Curt Gillespie**

Practice basic WC techniques. Learn and apply more advanced WC techniques. Assemble a book of techniques for future reference. Put your new techniques to use in a painting or two. Materials fee \$5 for WC book.

**AUGUST 17**

**Intermediate Pastels - Marcia Blakeman**

For the pastelist who would like to learn underpainting techniques. Students will test these techniques and then use them in their own painting. We will also discuss how to properly frame pastels.

**SEPTEMBER 21**

**Intermediate Sculpture - Willie Britt**

Learn about armatures, different types of clay and other sculpting mediums, tools and more. Explore the possibilities of mold making, casting bronzes, marketing one of a kind or limited editions. Get a feel for working in clay and experiment with tools and textures. All levels welcome. Materials fee \$5 for clay.

**OCTOBER 19**

**Intermediate Acrylics - Coni Grant**

Wondering about Acrylics but don't know where to start? This Acrylic workshop will kick-start your confidence. Learn techniques to help you fearlessly embrace this exciting medium.
