

Hey Up and Coming Artists!

The Sangres Art Guild has an Art Encounter program for you.
Have fun with art. Learn how to create and get supplies to explore more at home.

All students and adults are welcome regardless of where you go to school (or not)! There's a minimum fee for each class which must be paid in advance to secure your spot. Registration deadline is two weeks prior to the class date. Classes will be filled on a first come first served basis, based on the postmark of payment.

If you would like to attend any of these summer art classes (subsidized by the Sangres Art Guild), contact Linnea Laurila at LSLaurila@Outlook.com or call 719-783-0886 to sign up.
