Please consider giving to the Sangres Art Guild during the 2018 Community Spirit Campaign, because:

- We improve the quality of our lives in the Wet Mountain Valley through art.
- Our events reliably draw visitors, generating spin-off commercial activity.

Our key efforts:

- **Alla Prima Westcliffe** our plein-air painting event that attracts artists from across the country, as well as tourists who come to watch the artists paint and present their creations.
- **Arts Hullabaloo** includes more businesses and organizations and has proven to bring participants and spectators from throughout Colorado. It continues to encourage the Arts for all ages!
- **SAG Arts** - We have successfully developed art classes for kids, teens and adults, which include Winter Preschool Classes, **SAG Arts** Camp for kids and teens, working jointly with the Creativity Camp at the Jones Theater. We also offer various Art classes for Adults, which also include On-demand classes.
- **Study groups**, life drawing and workshops throughout the year educate all ages.
- Our **Fine Art Calendar** promotes local sponsors, showcases regional artists and lends prestige to the Wet Mountain Valley.
- **Scholarships and funding**, such as trips to the Denver Art Museum for high school students. We also help fund the purchase of art supplies and programs that are useable year to year.
- **Art in Public Places** enhances key community areas.
- **3rd Street Gallery** shows and receptions bring together the public and art community. SAG works with area non-profits such as WCPA, Dark Skies, Misson:Wolf, and the Saddle Club to help educate and promote the diverse cultural entities in the Wet Mountain Valley.

SAG has almost certainly enhanced your life. Please consider giving back. We appreciate all donations, small or large.

With roots reaching to the 1970s, the Sangres Art Guild became a 501(c)(3) nonprofit in 2005, boasting some of America's top artists. A purely volunteer group, we depend on donations to serve our community.
