SARAH WOODS Judge and Featured Artist of Our July Show

This year, in addition to the July show on the main floor, we are proud to showcase the Valley's own acclaimed artist, Sarah Woods, in a new upstairs exhibit featuring her most recent work. In addition to judging the Show, Sarah will host two free painting demos on July 3.

To celebrate her love of Plein Air, Sarah will host her first demo painting outside the Gallery under the aspens.

In her next demo, Sarah will share her journey from painting Nature to her exciting new Contemporary work.
